# PROGRAM OVERVIEW

This workshop is designed to support fresh and early-career professionals in navigating the shift from student life to the workplace. It focuses on building self-awareness, understanding workplace expectations, strengthening interpersonal skills, and helping participants take ownership of their professional growth. Program is specially designed for fresh graduates and young professionals with 0–2 years of experience.

Participants will gain clarity about their role, improve their ability to work with diverse teams, and develop the behavioural and communication skills needed to succeed in a professional environment.

# KEY LEARNING AREAS

- Understanding organizational culture and workplace expectations
- Building self-awareness and professional identity
- Transitioning from student to professional mindset
- Working effectively with diverse and multi-generational teams
- Understanding emotions, attitudes, and workplace behaviours
- Strengthening interpersonal and listening skills
- Taking ownership of career growth and development

# LEARNING OUTCOMES

By the end of the program, participants will be able to:

- Understand organizational culture and workplace expectations
- Develop self-awareness and professional confidence
- Transition effectively from student mindset to professional behaviour
- Communicate and collaborate effectively with diverse teams
- Demonstrate strong interpersonal and listening skills
- Manage emotions and behaviours in a professional environment
- Take ownership of their career growth and development
