

COMMUNICATION MASTERY PROGRAM

Overview

The Communication Mastery Program is an 8-week practical training designed to help participants develop confidence, clarity, and effective communication skills for personal and professional success. Through interactive activities, real-life conversations and role-playing exercises, learners will strengthen their spoken English, improve pronunciation and vocabulary, enhance public speaking and interpersonal communication, and overcome the fear of expressing themselves.

Course Modules

➔ Module 1: Build Confidence & Everyday Communication (Weeks 1–2)

Topics

- Breaking the Ice & Overcoming the Fear of Speaking
- Everyday Conversations & Small Talk

➔ Module 2: Express Yourself with Confidence (Weeks 3–5)

Topics

- Storytelling & Sharing Opinions
- Group Discussions & Classroom Communication
- Professional Communication & Job Interviews

Course Modules

➤ Module 3: Advanced Communication & Presentation Skills (Weeks 6–8)

Topics

- Idioms, Phrasal Verbs & Natural Expressions
- Public Speaking & Body Language
- Final Presentation & Performance Evaluation

Learning Outcomes

➤ By the end of the program, participants will be able to:

- Communicate confidently in personal and professional settings.
- Express ideas clearly and participate effectively in discussions.
- Improve pronunciation, vocabulary, and overall spoken English fluency.
- Apply professional communication skills in interviews and workplace interactions.
- Build confidence and overcome the fear of speaking in front of others.
